22" high definition LCD TV

dynamic contrast ratio
SRS TruSurround HD Digital
DNIe+ image processor
Wide Colour Enhancer 2

With a design that is simply redefined, the SAMSUNG LCD TV Series 4 delivers delight to your eyes. Its' slim style refreshes your living space and uplifts your emotions, creating entertainment that is more enjoyable. Its' pristine picture quality offers an outstanding HDTV experience that redefines how you connect with the digital world.

dynamic contrast ratio

With the ability to show both deep inky blacks, and bright vibrant colours, SAMSUNG's LCD TV range will delight the senses no matter what you are watching.

SRS TruSurround HD Digital

The SRS TruSurround HD Digital System provides a superior sonic presence. Hidden in the chassis of the TV, the speakers add powerful multi-directional sound to your viewing experience, creating an audio environment that is ideally suited for Movies, Sports and Games.

DNIe+ image processor

SAMSUNG's unique processing engine, DNIe+ offers advanced colour and motion optimisers to offer the best picture possible.

Wide Colour Enhancer 2

Adds depth and intensity to the reds, greens and blues, to ensure that you are seeing true, lifelike images on screen.

game mode

Game mode consists is an optimised setting that is specifically designed to improve your viewing experience when watching Sports, Cinema or Gaming.
